“ We are committed to applying our in-depth experience, together with the excellent team of experts and its long-term vision to enhance Vietnam’s real estate industry values through consulting and distribution of newly built real estate projects. ”

2021 - 2022

Our vision is to maintain the leading position in real estate consulting and distribution of real estate, hence become one of the most reliable strategic partners to the developers of Vietnam real estate industry.

ABOUT US

Smartland Co, Ltd has constructed great reputation for professional competence and affirmed its position in the market through constantly building and strengthening trust from well-known developers as well as thousands of domestic and foreign investors. We have demonstrated an excellent ability to apply our in-depth experience to identify opportunities, advise major developers on sales strategic planning, on the other hand bridging clients to real estate projects with great potential. We have always accompanied, making efforts and strive to be reliable in the extremely challenging Vietnam's real estate market.

SMARTLAND

Established in 2004, Smartland's predecessor is Netxinh Real Estate Design & Construction Company. After a period of change and adaption, the founders decided to change the brand name into Smartland Real Estate Co.,Ltd., reorient and focus on real estate distribution and investment consulting.

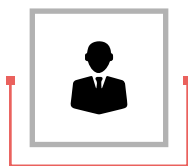

SMARTREALTORS & PARTNERS

In 2016, recognized the upwards trending and increasing demands for vacation properties, Smart Realtors & Partners was established. After just over 5 years of presence, Smart Realtors & Partners is now one of the leading agent in Vietnam's real estate market specialized in vacation properties.

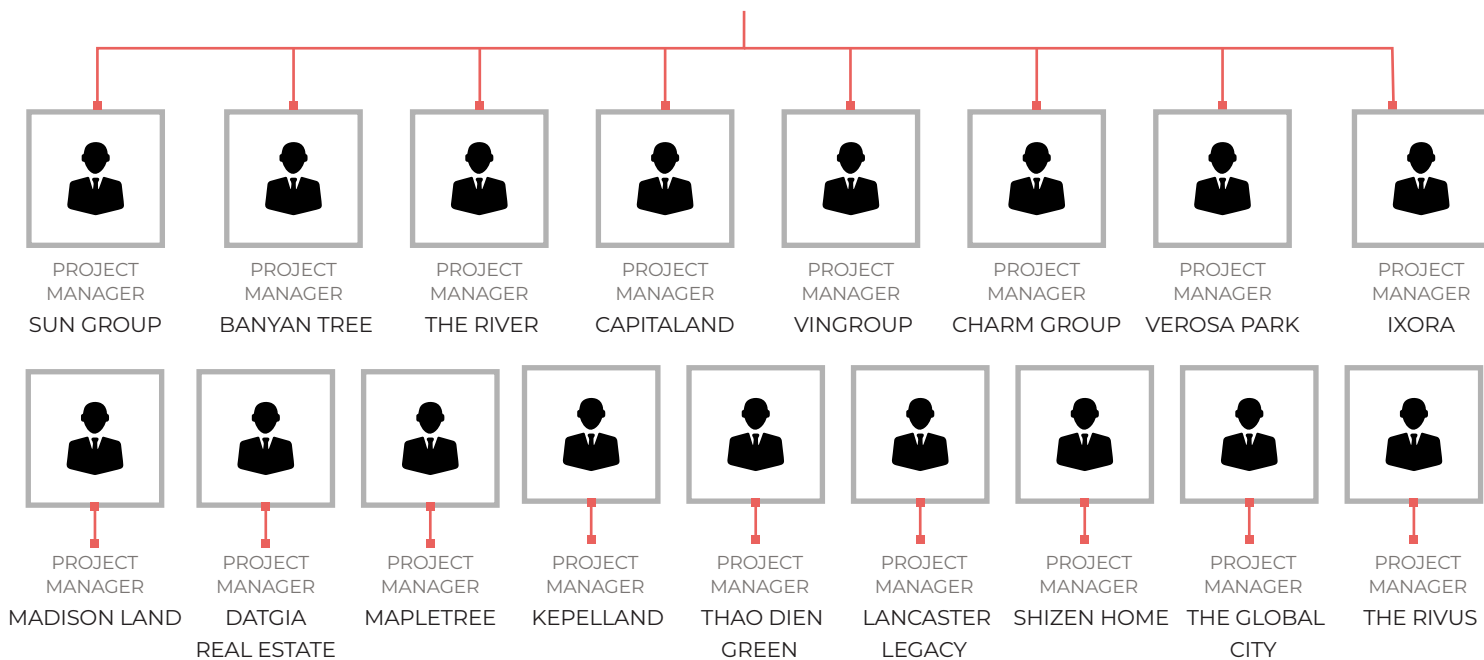

We believe in building a strategic business linkage network, working closely with investors and leading real estate developers to enhance commercial activities as well as contributing to the development of Vietnam's real estate industry.
